

Dishcloth Duo

Getting Started

This project was inspired by a request for a pattern from Mariko's web log found at www.supereggplant.com. It is based on a pattern from a Japanese web site and translated based on pictures only. The dishcloth pattern, is my version of the "traditional" pattern to make a set.

Yarn (Dishcloth & Scrubby)

1 skein (2 oz) Sugar 'n Cream
(100% Cotton)

Any worsted weight yarn may be substituted for varying results.

Needles

Size 5.5mm or 6.0mm (US #9 or #10)

Abbreviations

BO	Bind Off
CO	Cast On
K	Knit
inc	Increase
st(s)	Stitch(es)
tog	Together
yo	Yarn Over

No Holes Dishcloth

CO 3 sts

Increase Row: K1, yo (in the opposite direction – this prevents a hole when knit), Knit to the end of the row.

Repeat the Increase row until reaching a total of 43 sts. Knit 1 row even.

Decrease Row: K1, K2tog, Knit to the end of the row.

Repeat the Decrease row until reaching a total of 3 sts. BO all sts.

Circular Scrubby

CO 18 sts.

Prep Row: Knit

Row 1: Slip 1, K2tog, K12, K1, inc 1 st, K1

Row 2: Slip 1, inc 1, K13, K2tog, K1

Repeat rows 1 & 2 a total of 10 times. (20 rows). BO all sts.

Seam together CO and BO edges. Draw a string through the slipped sts of one edge, pull tightly and secure. Repeat for the other slip stitch edge.

Options:

- A two-color version can be created by alternating colors every two rows.
- The Scrubby is often done in acrylic yarn, as it appears to have more scrubbing power!
